FURNITURE

Experience the pure elegance and simplicity, of our thoughtfully curated capsule collection of furniture.

**Thoughtful Design**

Each piece is thoughtfully designed with you in mind, providing multiple unit and basin configurations and practical storage solutions, which make your everyday that bit easier.

The natural colours and tactile finishes will also bring character, warmth and luxury to your bathroom.

FURNITURE

# Roseburn

Discover Roseburn, our sophisticated and minimal furniture collection with simple, inset design details, that is available in a palette of serene, natural tones.

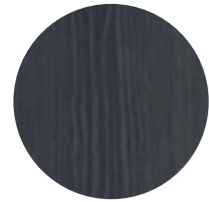

# Roseburn

Offering minimalist design, the Roseburn features an inset front fascia. Create your own unique look by selecting your preferred cabinet size and basin or worktop option.

Choose a basin or worktop from the options on pages 126 - 127. Alternative handle finishes are also available.
