OCTOBER 2026
BEAUTIFULLY CRAFTED
BRITISH CENTREPIECE
DESIGNS

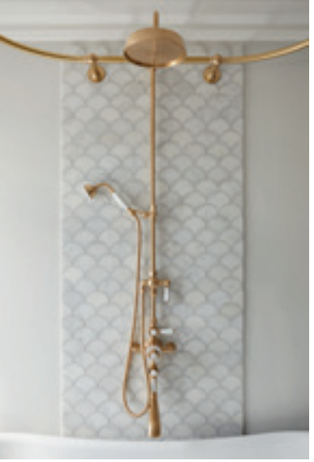

We are the award winning British Bathroom Design company.

The centrepiece of the bathroom is the heart of the home, it is where we go to relax, let the day wash over us and transform into our best selves.

Using the finest materials and exceptional British craftsmanship we create designs of distinction.

Because Beautifully Crafted bathrooms, add a little luxury to the everyday.

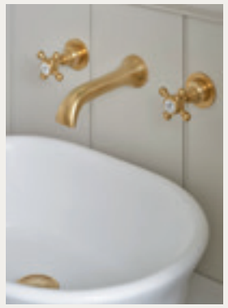

These are bespoke British Centrepieces, made for you.

Timeless bathroom products to last a lifetime.

Exceptional British craftsmanship using the finest sourced materials, designed with distinction, and tailored to your needs.

BESPOKE CURATION

Bespoke curation is at the heart of what we do.

Every bathroom is personal and expertly tailored to your individual style.

We want to give you choices, so you can design the centrepiece for your home.

Personalised design choices through luxurious materials, sumptuous hand-painted colours, and custom sizing.

We are always on hand to go the extra mile for you, whatever you may need.

This is bespoke curation, made for you.

CONTENTS

HOW TO ORDER

Choose your own paint colour to match your scheme from manufacturers such as Farrow & Ball, Little Greene and Fenwick & Tilbrook.

All of our roll top baths are painted to order in our workshop in Colchester, Essex.

Simply add a Z at the end of the product Code to get your bath painted.

For example:

BAC040 + Z = **BAC040Z**

Our Process

Our in house specialist will key the bath first and then coat it with a water based primer/sealer. Using a roller the bath is then painted with 3 or more coats of the chosen colour.

We use an Exterior Eggshell paint which has a 20% sheen finish.

The paint is durable, eco-friendly and has a breathable finish.

Resistant to flaking, peeling and colour fade for up to 6 years (providing care instructions for the surface are followed).

Water, fungal resistant, washable and wipeable.

The bath will go through several processes, being quality checked all the way so we can ensure a perfect finish.

Please note

Whichever paint you choose it must be available in an Exterior Eggshell finish and fit for purpose. In addition to these paint ranges, we can also paint your bath in a choice of RAL Classic colours or British Standard colours.

We also have a digital scanning service for colour matching. Please contact us to check the suitability of any of the above.

Please allow 20-25 working days for delivery of your painted bath.

Full colour swatches can be ordered directly from the Farrow & Ball, Little Greene or Fenwick & Tilbrook websites. RAL colours also available.

Our painted Boat bath is a bespoke product and we cannot accept liability for colour chosen. It is the customer's responsibility to check the paint before ordering. We are unable to accept returns on this basis.

All prices include VAT.

Image Credit: Little Greene.

10 YEAR GUARANTEE

1 ROLL TOP

At BC Designs we know and love classic design, materials and the value of craftsmanship.

The Classic

Offering timeless designs with a modern flair. Our classic roll top baths can be tailored to your personal style with our bespoke colour service.

With a plethora of designs to choose from, including our popular handcrafted copper and brass boat baths.

Photographer: Darren Chung.

A TIMELESS CLASSIC

BC Designs create beautiful roll top baths. Our copper baths are handcrafted using traditional techniques.

They are hand-made and every bathtub is a unique work of art, completely different from one to the next. All of the curves and bends are made with no more than a hammer, an experienced eye and a strong arm.

Variations and undulations will occur during the manufacturing process, which is why each piece is distinctive. Our copper baths add character to a bathroom and you have the option of maintaining its beautiful shine or leaving it to age and weather over time.

BC SIGNATURE SERIES

We are proud to present a beautiful collection of signature products that are original and unique to BC Designs.

Look out for the icon on the relevant product pages.

CO-ORDINATING BASINS & WASTES

A collection of co-ordinating basins are available to complement your chosen bath design.

See page 46-47.

AFTER CARE & MAINTENANCE

Please refer to the website for details on how to maintain your roll top bath.

bcdesigns.co.uk

Our 'How To' and Maintenance videos can also be found on our dedicated YouTube Channel.

youtube.com/@bcdesigns1555

Why choose a Copper Bath?

Heat Retention

Copper baths retain the heat of your water for much longer than acrylic versions. The temperature is much better than an acrylic bath meaning that you can have a longer soak without topping up your tub!

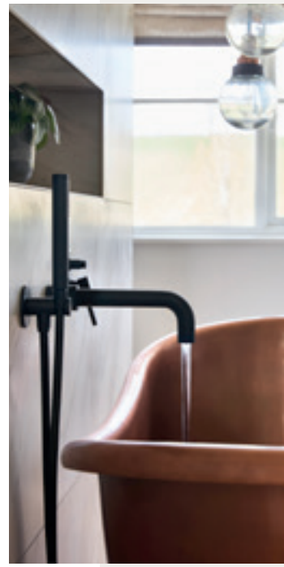

Hygiene

A little-known fact that few homeowners are aware of is that copper is actually a super metal when it comes to killing germs. While most viruses can last for days on steel and glass, they are killed within hours or sometimes minutes on copper! The same applies to Brass as well!

So, for those deciding on a bathroom renovation, copper baths and basins not only look stunning and bring a touch of luxury to a bathroom project but they also provide a really important function in helping the room to stay germ free.

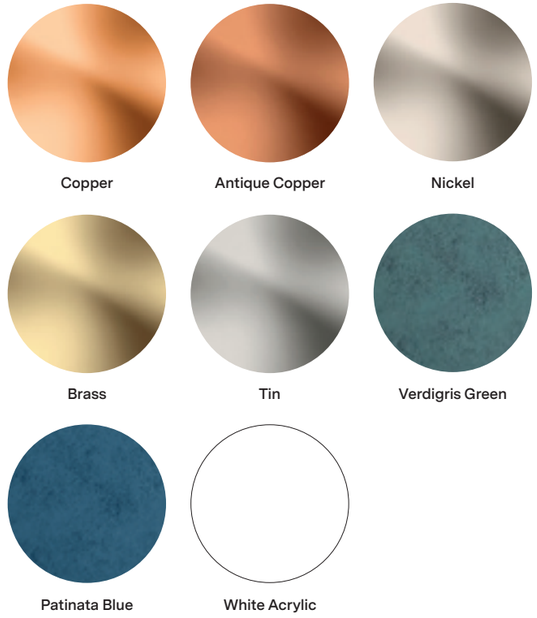

Finish Options

Our Copper range is incredibly versatile and we have expanded our range to include Antique, Verdigris and Patinata alongside Nickel & Tin.

ROLL TOP BATH FINISHES

Finishes are dependent on the Bath Design.

PAINTED FOR YOU

SPECIFICATIONS

Material	Acrylic
Finish	Polished White/Aluminium
Waste	Not included

Bath	Capacity	Void	Dry Weight
1580mm	180ltrs	120mm	42kg
1700mm	190ltrs	165mm	45kg
1800mm	220ltrs	165mm	46kg

Please note

Each aluminium plinth is individually hand polished to bring the natural material up to shine. Due to the nature of the material there will be slight imperfections and some pinholes in the plinths which make them unique and add to the character of the bath.

This bath is Polished White, but can be painted to order.

Waste supplied separately.

All dimensions are approximate due to manufacturing tolerances.

*The concealed waste overflow pipe is visible on the outside of this bath.

PAINTED FOR YOU

Our exclusive Cian® material is a first in its class and is manufactured from the highest quality raw materials.

CIAN® CAST 2

10 YEAR GUARANTEE

Cian® Solid Surface

It is highly durable, stain resistant, non-porous, scratch resistant and retains heat for the perfect long soak.

Due to its unique properties it allows BC Designs to create classic as well as cutting edge shapes that are wonderful to bathe in.

Photographer: Darren Chung.

THE PERFECT CAST

Why choose a Cian® Cast Bath?

ColourKast

Fancy a bit of colour? Something different? Our unique range of ColourKast shades are now available to order on most of our Cian® bath designs - choose from eight distinctive colours.

Any ColourKast baths and basins are made to order and have a 15 week lead time.

Durability

Cian® Solid Surfacing will withstand the rigours of everyday exposure.

Overflow

Many of our Cian® baths are available with overflows. Please always check the specifications before ordering.

Non-porous

Unaffected by fluctuating moisture ingression and humidity, Cian® Solid Surfacing is for all practical purposes. 100% non-porous.

Polished finish

Our material does not have a deceptive gel coat and is hand polished for a luxurious shiny finish. A few of our models are also available in a Silk Matt finish.

Made in South Africa

All of our Cian® solid surface baths are manufactured in our exclusive factory in Cape Town, South Africa. We use the best and most meticulous techniques to create a material that is free from imperfections and polished to a premium finish.

Easy maintenance

A daily wipe using a non-abrasive cleaning agent will keep the surface clean. It is resistant to deterioration and minor damages can be polished or repaired.

CIAN® SOLID SURFACE

CO-ORDINATING BASINS & WASTES

A range of co-ordinating Cian® Cast basins are available to complement your chosen bath or furniture design.

COLOURKAST

The ColourKast finishes are dependent on the bath design.
See individual bath pages for available options.

White
Silk Matt and/or Polished
Available on all designs.

Marble
Available on
Bampton & Kurv only.

HOW TO ORDER COLOURKAST

Most Cian® Cast baths can be ordered in ColourKast – and at the same price as White!

Simply state your bath's product code and add your finish to the end to order.

For example:

Vive Bath in Industrial Grey

BAB064 + **IG** = **BAB064IG**

Please note

All Cian® bath products are manufactured to defined dimensional specifications, with an accepted manufacturing tolerance of ±2% of the dimensions shown on the relevant technical drawings.

Please bear in mind that darker colours are more likely to show up marks and imperfections.

Matching ColourKast wastes can be ordered to suit – as well as various plated finishes.

All ColourKast baths and basins are manufactured in a Silk Matt finish only.

While we endeavour to hold stock of most baths please allow up to 15 weeks for delivery for some models. Check with us which baths we have in stock before ordering.

For samples please contact:
sales@bcdesigns.co.uk

Marble
WAS220ME £171.00

See page 146-147 for alternative waste finishes

Please note

The provenance of this product is reproducing the authentic look of early 20th century manufacturing. There will be slight undulations and blemishes in the finish and these should be viewed in this light.

Our marble finish bath is unique, and every bath will be different based on the manufacturing process involved to achieve a marble finish effect. All veins and colours used to achieve the finish may be lighter or darker and more bold in certain areas of the bath. This makes each piece unique.

**Please note that the Silk Matt White version comes with a slot overflow and is compatible with the WAS107MW waste only.

All prices include VAT.

Designer: Chantel Elshout. Photographer: Alexander James.

PAINTED FOR YOU

Add an **S** at the end of the product code to have this bath painted. Available on White Baths only. See page 8 for details.

Bath Painted
£808.00

Please note

There is a limited void under this bath, therefore the trap and waste will need to be installed under floor level. If this is not possible there is a separate plinth available to raise the level of the bath. The plinth and bath must be ordered together as they are individually matched in our workshop.

This bath has an overflow built into the side. It is not therefore possible to fit an overflow filler to this bath.

Our marble finish bath is unique, and every bath will be different based on the manufacturing process involved to achieve a marble finish effect. All veins and colours used to achieve the finish may be lighter or darker and more bold in certain areas of the bath. This makes each piece unique.

**Plinth only available in polished white.

Please note

Baths are supplied without overflow hole. An overflow hole can be drilled on site. Please contact us for advice on how to do this.

Please refer to the technical drawing on our website for detailed dimensions.

There is a recess of 120mm under the bath to allow for a trap and pipework.

All dimensions are approximate due to manufacturing tolerances.

All prices include VAT.

Westmere

The Westmere bath combines a generous internal depth with an elegantly sculpted silhouette, making it an exquisite choice for more intimate bathroom spaces.

Westmere is presented in a lustrous Polished White finish for a refined, timeless appeal.

3 ACRYMITE®

10 YEAR GUARANTEE

We are original, and by following our own path, we ensure every bathroom expresses understated luxury and personalised design.

Feel your real self with a timeless bathroom that never goes out of style. These are bold classics, made for you.

Why choose an Acrymite® bath?

One piece look

Although double skinned acrylic, our Acrymite® baths have no unsightly join marks for a premium 'one piece' look.

Easy maintenance

A daily wipe using a non-abrasive cleaning agent will keep the surface clean. It is resistant to deterioration and minor damages can be polished or repaired.

Heat retaining

Our Acrymite® baths retain the heat of the room for a comfortable bathing experience.

Guarantees

Acrymite® baths have a ten year guarantee and will retain their original beauty for many years with minimum maintenance required.

Sculptura

A statement of artistry and refinement, the Sculptura bath boasts an inspirational exterior.

The abstract design also provides a deep bathing space, for the ultimate in relaxation.

Bath Painted
£808.00

Dinkee by name, and by nature, this bath is a fantastic solution for small spaces.

Because of its thin rim, the Dinkee offers a surprisingly spacious bathing area.

Dinkee

BATHS

1500mm

H600xW780xL1500mm

BAS012 £2,581.00

Please note

There is sufficient void under this bath to accommodate a low level trap and waste pipe work.

If it is necessary to bring waste pipe work out above floor please seek advice from BC Designs prior to installation.

Chrome factory fitted push down waste supplied. It is not possible to fit an overflow filler to this bath.

See page 146-147 for alternative waste finishes.

B·C SANITAN

Bathrooms of Distinction

DEFINED BY LEGACY

THERE ARE NAMES THAT CARRY WEIGHT, NOT THROUGH VOLUME, BUT THROUGH LEGACY.

BC SANITAN IS ONE SUCH NAME — QUIETLY WOVEN INTO THE FABRIC OF BRITAIN'S MOST DISTINGUISHED INTERIORS FOR GENERATIONS.

B·C SANITAN

Versatile Design

The BC Sanitan collection of traditional ceramics and kitchen sinks, is thoughtfully designed to bring timeless elegance and lasting quality to your home.

Featuring finely crafted pieces that combine heritage-inspired design with exceptional functionality for today's kitchens and bathrooms.

CERAMICS

BC Sanitan offers a curated collection of ceramics and kitchen sinks, in traditional designs, which are perfectly crafted for you.

COLLARS

Domed Exposed

All lever and crosshead taps have an option of domed or exposed collars. Both options are included.

Please note

Our taps have universal bodies suitable for both crosshead and lever heads. This means that the handles will turn in opposite directions (L- anticlockwise R-clockwise).

WHY CHOOSE BC SANITAN SHOWERS?

The BC Sanitan showers not only look great, but by installing one of our shower valves you can enjoy the following benefits:

Safety for all the family

Thermostatic control to +/- 2 degrees even if the temperature or incoming pressures fluctuate.

Full thermal protection to prevent scalding even in the event of hot or cold water failure.

In the event of hot or cold water failure, the valve will shut down the water supply.

Accurate flow control

Excellent flow rates – even at low pressure. Showers can deliver 5.5 ltrs of water per minute at 0.1 bar pressure.

The patented thermostatic cartridge is highly resistant to calcium build-up – even in hard water areas.

Ease of installation

BC Sanitan thermostatic shower valves, contain a patented cartridge, which makes them simple to install and easy to maintain after installation.

The cartridge is fully reversible, meaning if hot and cold supplies are the wrong way round, it doesn't need re-plumbing. Simply remove the cartridge, turn 180° and replace.

Guarantee

All chrome brassware has a 5 year guarantee, brushed brass and brushed pewter have 3 year guarantee, and all other finishes have a 1 year guarantee.

WASTES & ADDITIONS

Choose a waste finish to complement your Copper bath or basin, ColourKast bath or basin or your chosen brassware design.

BASIN

Plug and chain basin waste

WAS219 + finish code
