BEAUTIFULLY CRAFTED

BRITISH CENTREPIECE

DESIGNS

We are the award winning British Bathroom Design company.

The centrepiece of the bathroom is the heart of the home, it is where we go to relax, let the day wash over us and transform into our best selves.

Using the finest materials and exceptional British craftsmanship we create designs of distinction.

Because Beautifully Crafted bathrooms, add a little luxury to the everyday.

These are bespoke British Centrepieces, made for you.

Timeless bathroom products to last a lifetime.

Exceptional British craftsmanship using the finest sourced materials, designed with distinction, and tailored to your needs.

BESPOKE CURATION

Bespoke curation is at the heart of what we do.

Every bathroom is personal and expertly tailored to your individual style.

We want to give you choices, so you can design the centrepiece for your home.

Personalised design choices through luxurious materials, sumptuous hand-painted colours, and custom sizing.

We are always on hand to go the extra mile for you, whatever you may need.

This is bespoke curation, made for you.

HOW TO ORDER

Choose your own paint colour to match your scheme from manufacturers such as Farrow & Ball, Little Greene and Fenwick & Tilbrook. All of our roll top baths are painted to order in our workshop in Colchester, Essex.

Simply add a Z at the end of the product code to get your bath painted.

For example:

BAC040 + Z = BAC040Z

Our Process

Our in house specialist will key the bath first and then coat it with a water based primer/sealer. Using a roller the bath is then painted with 3 or more coats of the chosen colour.

We use an Exterior Eggshell paint which has a 20% sheen finish.

The paint is durable, eco-friendly and has a breathable finish.

Resistant to flaking, peeling and colour fade for up to 6 years (providing care instructions for the surface are followed).

Water, fungal resistant, washable and wipeable.

The bath will go through several processes, being quality checked all the way so we can ensure a perfect finish.

Please note

Whichever paint you choose it must be available in an Exterior Eggshell finish and fit for purpose. In addition to these paint ranges, we can also paint your bath in a choice of RAL Classic colours or British Standard colours.

We also have a digital scanning service for colour matching. Please contact us to check the suitability on any of the above.

Please allow 20-25 working days for delivery of your painted bath.

Full colour swatches can be ordered directly from the Farrow & Ball, Little Greene or Fenwick & Tilbrook websites. RAL colours also available.

Our painted Boat bath is a bespoke product and we cannot accept liability for colour chosen. It is the customer's responsibility to check the paint before ordering. We are unable to accept returns on this basis.

1

10 YEAR GUARANTEE

ROLL TOP

At BC Designs we know and love classic design, materials and the value of craftsmanship.

The Classic

Offering timeless designs with a modern flair. Our classic roll top baths can be tailored to your personal style with our bespoke colour service.

With a plethora of designs to choose from, including our popular handcrafted copper and brass boat baths.

A TIMELESS CLASSIC

BC Designs create beautiful roll top baths. Our copper baths are handcrafted using traditional techniques.

They are hand-made and every bathtub is a unique work of art, completely different from one to the next. All of the curves and bends are made with no more than a hammer, an experienced eye and a strong arm.

Variations and undulations will occur during the manufacturing process, which is why each piece is distinctive. Our copper baths add character to a bathroom and you have the option of maintaining its beautiful shine or leaving it to age and weather over time.

We are proud to present a beautiful collection of signature products that are original and unique to BC Designs.

Look out for the icon on the relevant product pages.

CO-ORDINATING BASINS & WASTES

A collection of co-ordinating basins are available to complement your chosen bath design. See page 46-47.

AFTER CARE & MAINTENANCE

Please refer to the website for details on how to maintain your roll top bath.

bcdesigns.co.uk

Our 'How To' and Maintenance videos can also be found on our dedicated YouTube Channel. youtube.com/@bcdesigns1555

CLASSIC ROLL TOP

Why choose a Copper Bath?

Heat Retention

Copper baths retain the heat of your water for much longer than acrylic versions. The temperature is much better than an acrylic bath meaning that you can have a longer soak without topping up your tub!

Hygiene

A little-known fact that few homeowners are aware of is that copper is actually a super metal when it comes to killing germs. While most viruses can last for days on steel and glass, they are killed within hours or sometimes minutes on copper! The same applies to Brass as well!

So, for those deciding on a bathroom renovation, copper baths and basins not only look stunning and bring a touch of luxury to a bathroom project but they also provide a really important function in helping the room to stay germ free.

Finish Options

Our Copper range is incredibly versatile and we have expanded our range to include Antique, Verdigris and Patinata alongside Nickel & Tin.

ROLL TOP BATH FINISHES

Finishes are dependent on the Bath Design.

PAINTED FOR YOU

See the next page for more details.

Bath Painted
£788.00

Please note

Copper is a 'living finish' and will patina over time, Copper baths and basins will need preserving to maintain the finish, so bear this in mind before ordering.

Our copper baths are made from 99.5%+ 15-18 gauge pure copper.

Overflow & drilling

BC Designs Copper Baths are supplied without overflow. If an overflow is required they can be drilled on site. We can advise on how to do this and supply an exposed waste to suit. Contact us for more information.

Waste supplied separately.

All dimensions are approximate due to manufacturing tolerances.

Photographer: Darren Chung.

Both the polished copper exterior, and the contrasting nickel interior, will develop their own character over time.

SPECIFICATIONS

Material	Acrylic	Bath	Capacity	Void	Dry Weight
Finish	Polished White/Aluminium	1580mm	180ltrs	120	42kg
Waste	Not included	1700mm	190ltrs	165	45kg
		1800mm	220ltrs	165	46kg

Please note

Each aluminium plinth is individually hand polished to bring the natural material up to shine. Due to the nature of the material there will be slight imperfections and some pinholes in the plinths which make them unique and add to the character of the bath.

This bath is Polished White, but can be painted to order.

Waste supplied separately.

All dimensions are approximate due to manufacturing tolerances.

*The concealed waste overflow pipe is visible on the outside of this bath.

Our exclusive Cian® material is a first in its class and is manufactured from the highest quality raw materials.

CIAN® CAST

2

10 YEAR GUARANTEE

Cian® Solid Surface

It is highly durable, stain resistant, non-porous, scratch resistant and retains heat for the perfect long soak.

Due to its unique properties it allows BC Designs to create classic as well as cutting edge shapes that are wonderful to bathe in.

THE PERFECT CAST

Why choose a Cian® Cast Bath?

ColourKast

Fancy a bit of colour? Something different? Our unique range of ColourKast shades are now available to order on most of our Cian® bath designs - choose from eight distinctive colours. Any ColourKast baths and basins are made to order and have a 15 week lead time.

Durability

Cian® Solid Surfacing will withstand the rigours of everyday exposure.

Overflow

Many of our Cian® baths are available with overflows. Please always check the specifications before ordering.

Non-porous

Unaffected by fluctuating moisture ingress and humidity, Cian® Solid Surfacing is for all practical purposes. 100% non-porous.

Polished finish

Our material does not have a deceptive gel coat and is hand polished for a luxurious shiny finish. A few of our models are also available in a Silk Matt finish.

Made in South Africa

All of our Cian® solid surface baths are manufactured in our exclusive factory in Cape Town, South Africa. We use the best and most meticulous techniques to create a material that is free from imperfections and polished to a premium finish.

Easy maintenance

A daily wipe using a non-abrasive cleaning agent will keep the surface clean. It is resistant to deterioration and minor damages can be polished or repaired.

CIAN® SOLID SURFACE

CO-ORDINATING BASINS & WASTES

A range of co-ordinating Cian® Cast basins are available to complement your chosen bath or furniture design.

Vive basin	Push down waste
ColourKast	ColourKast
£717.00	£166.00

COLOURKAST

The ColourKast finishes are dependent on the bath design. See individual bath pages for available options.

White
Silk Matt and/or Polished
Available on all designs.

Marble
Available on
Bampton & Kurv only.

HOW TO ORDER COLOURKAST

Most Cian® Cast baths can be ordered in ColourKast – and at the same price as White!

Simply state your bath's product code and add your finish to the end to order.

For example:

Vive Bath in Industrial Grey
BAB064 + IG = BAB064IG

Please note

Please bear in mind that darker colours are more likely to show up marks and imperfections.

Matching ColourKast wastes can be ordered to suit – as well as various plated finishes.

All ColourKast baths and basins are manufactured in a Silk Matt finish only.

While we endeavour to hold stock of most baths please allow up to 15 weeks for delivery for some models. Check with us which baths we have in stock before ordering.

For samples please contact:
sales@bcdesigns.co.uk

Casini

Bold, creative and colourful.

The Casini is a one-piece Cian® casting with stunning outside detail that can only be achieved with our specialist moulding process. A fusion of classic and contemporary design, its thin rim gives a generous and comfortable bathing area.

Please note

The provenance of this product is reproducing the authentic look of early 20th century manufacturing. There will be slight undulations and blemishes in the finish and these should be viewed in this light.

Our marble finish bath is unique, and every bath will be different based on the manufacturing process involved to achieve a marble finish effect. All veins and colours used to achieve the finish may be lighter or darker and more bold in certain areas of the bath. This makes each piece unique.

**Please note that the Silk Matt White version comes with a slot overflow and is compatible with the WAS107MW waste only.

All prices include VAT.

PAINTED FOR YOU

Add an S at the end of the product code to have this bath painted. Available on White Baths only. See page 8 for details.

Bath Painted
£788.00

Please note

The provenance of this product is reproducing the authentic look of early 20th century manufacturing. There will be slight undulations and blemishes in the finish and these should be viewed in this light. It is not possible to fit an overflow filler to this bath. A click clack waste is recommended but not included.

PAINTED FOR YOU

Add an S at the end of the product code to have this bath painted. Available on White Baths only. See page 8 for details.

Bath Painted
£788.00

Please note

There is a limited void under this bath, therefore the trap and waste will need to be installed under floor level. If this is not possible there is a separate plinth available to raise the level of the bath. The plinth and bath must be ordered together as they are individually matched in our workshop.

This bath has an overflow built into the side. It is not therefore possible to fit an overflow filler to this bath.

Our marble finish bath is unique, and every bath will be different based on the manufacturing process involved to achieve a marble finish effect. All veins and colours used to achieve the finish may be lighter or darker and more bold in certain areas of the bath. This makes each piece unique.

**Plinth only available in polished white.

ACRYMITE®

10 YEAR GUARANTEE

We are original, and by following our own path, we ensure every bathroom expresses understated luxury and personalised design.

Feel your real self with a timeless bathroom that never goes out of style. These are bold classics, made for you.

Why choose an Acrymite® bath?

One piece look

Although double skinned acrylic, our Acrymite® baths have no unsightly join marks for a premium 'one piece' look.

Easy maintenance

A daily wipe using a non-abrasive cleaning agent will keep the surface clean. It is resistant to deterioration and minor damages can be polished or repaired.

Heat retaining

Our Acrymite® baths retain the heat of the room for a comfortable bathing experience.

Guarantees

Acrymite® baths have a ten year guarantee and will retain their original beauty for many years with minimum maintenance required.

Sculptura

A statement of artistry and refinement, the Sculptura bath boasts an inspirational exterior. The abstract design also provides a deep bathing space, for the ultimate in relaxation.

Bathrooms of Distinction
DEFINED BY LEGACY

THERE ARE NAMES THAT CARRY WEIGHT, NOT THROUGH VOLUME, BUT THROUGH LEGACY.

BC SANITAN IS ONE SUCH NAME — QUIETLY WOVEN INTO THE FABRIC OF BRITAIN'S MOST DISTINGUISHED INTERIORS FOR GENERATIONS.

Versatile Design

The BC Sanitan collection of traditional ceramics and kitchen sinks, is thoughtfully designed to bring timeless elegance and lasting quality to your home.

Featuring finely crafted pieces that combine heritage-inspired design with exceptional functionality for today's kitchens and bathrooms.

CERAMICS

BC Sanitan offers a curated collection of ceramics and kitchen sinks, in traditional designs, which are perfectly crafted for you.

10 YEAR GUARANTEE

BRASSWARE

With a large collection of traditional brassware available in multiple finishes, the BC Sanitan collection has something for everyone.

Beautifully Crafted

Each piece incorporates ceramic disc technology for a smoother operation.

All our brassware ranges can also be tailored to your interior design choices, with one of our eight stunning finishes.

- (5) YEAR GUARANTEE
- (3) YEAR GUARANTEE
- (1) YEAR GUARANTEE

THE FINISHING TOUCH.

BRASSWARE

8 BEAUTIFUL FINISHES. 3 EASY STEPS.

Introducing our new premium Brushed Brass and Brushed Pewter superior PVD coating. Offering enhanced durability and a sleek, high-quality look, and all available from stock.

HOW TO ORDER

1. Choose your item.
2. Decide on your finish.
3. Add the finish code to the product code.

Example:
CTA015 + BN
= CTA015BN

*For all plated finishes except Chrome, Brushed Brass & Brushed Pewter, please allow up to 20 working days for our UK based bespoke plating process to be completed.

Suggested Water Pressures
LP1 0.1 Bar HP1 1.0 Bar
LP2 0.2 Bar HP2 2.0 Bar
MP 0.5 Bar HP3 3.0 Bar

The finishes shown are only graphic representations, and may differ to the finish on the product.

CROSSHEAD TAPS

Make your choice from our excellent BC Sanitan tap range to complete your BC Designs freestanding bath.

All taps are available in either domed or exposed styles. See opposite. Our brassware range is now available in various finishes to suit your scheme. See page 137.

WHY CHOOSE BC SANITAN SHOWERS?

The BC Sanitan showers not only look great, but by installing one of our shower valves you can enjoy the following benefits:

Safety for all the family

Thermostatic control to +/- 2 degrees even if the temperature or incoming pressures fluctuate.

Full thermal protection to prevent scalding even in the event of hot or cold water failure.

In the event of hot or cold water failure, the valve will shut down the water supply.

Accurate flow control

Excellent flow rates – even at low pressure. Showers can deliver 5.5 ltrs of water per minute at 0.1 bar pressure.

The patented thermostatic cartridge is highly resistant to calcium build-up – even in hard water areas.

Ease of installation

BC Sanitan thermostatic shower valves, contain a patented cartridge, which makes them simple to install and easy to maintain after installation.

The cartridge is fully reversible, meaning if hot and cold supplies are the wrong way round, it doesn't need re-plumbing. Simply remove the cartridge, turn 180° and replace.

Guarantee

All chrome brassware has a 5 year guarantee, brushed brass and brushed pewter have 3 year guarantee, and all other finishes have a 1 year guarantee.

WASTES & ADDITIONS

Choose a waste finish to complement your Copper bath or basin, ColourKast bath or basin or your chosen brassware design.

BATH

Floor mounted waste

WAS070 + finish code

Chrome	£262.00
BC/N/BN*	£387.00
G/BG*	£443.00

This waste is compatible with our Boat Bath, Copper Boat Bath and Projekt range only.

Traditional cast bath legs

CTW905 + finish code

Chrome	£277.00
BC/N/BN*	£592.00
G/BG*	£676.00

Suitable for use with bath shower mixers.

Traditional bath legs with adjustable shrouds

CTW910 + finish code

Chrome	£178.00
BC/N/BN*	£482.00
G/BG*	£551.00

Not suitable for use with bath shower mixers. These legs are for hiding pipework only and will not support the weight of a bath shower mixer. They are mainly for use with baths with tap holes.
